Grammar focus

CEFR B1 | Unit 7: Sustainability | Grammar

Read the explanation, then complete or revise each item.

Name _____ Date _____

Notice the form and meaning

Use might for a possible explanation, must for a strong evidence-based deduction and cannot for something ruled out by the evidence. Therefore/as a result show consequences; however introduces a contrast.

1. Choose: The cups might / must have helped, but other causes are possible.

2. Complete: Attendance changed; ___, the comparison needs care.

3. Join using so...that: The sample was small. It could not represent the year.
