Read the original text. You may underline evidence and reread as needed.

Name _____ Date _____

CENTRE CLINIC
Monday-Friday: 9: 00-16: 00. Please go to the front desk when you arrive.

MESSAGE
Hi, Noor. I am at the centre clinic. I am waiting by the front desk. I have a headache and I am tired. My appointment is at eleven. The nurse is helping another person now.

I usually walk home after class. Today, my brother is coming for me. He is leaving work now. Please tell our teacher that I am not in class. I am keeping my phone with me. Thank you.
Mina

Original Ilmiya practice text. Scenarios and research examples are fictional.
