Teacher writing review

CEFR A1 | Unit 9: Travel | Writing

Open responses need qualified review. Use this guide to discuss a useful next revision.

Task and audience

Write a journey update with three past times and locations. Say where you and a partner were, then state where you were together.

Meaning and evidence

Check the supplied context. The response should preserve relevant facts, conditions and uncertainty. Do not reward an invented claim as evidence.

Organization

Look for an order that helps the intended reader. At early levels, clear linked information is enough; advanced responses need controlled development and cohesion.

Language choices

Discuss one effective word choice and one form to revise. Consider the unit focus: Use was with I/he/she/it and were with you/we/they for a past state or location. Add not for a negative. Begin a question with was or were.

Review status

Record feedback as teacher review. A completed draft or self-check does not verify correctness, skill mastery or a CEFR level.
