Teacher vocabulary guide

CEFR A1 | Unit 10: Shopping | Vocabulary

Use the meanings to check sense, then review the learner's own examples.

1. price: the amount of money something costs
2. cheap: costing little money
3. expensive: costing a lot of money
4. small: not large in size
5. Sentence answers vary. Both words must be used in the taught senses and fit the context.
6. budget means the amount available to spend; choose means decide which thing to take.
7. Accept supported connections to the supplied context. Ask which detail justifies each choice.

Review notes

The eight-card page supports retrieval. Concrete pictures illustrate only the sense defined here. Accept other accurate examples; a familiar spelling alone does not establish the right sense.

Placement

A1-U10 / ESL.VOC. Original supplementary practice. Skill links are proposed for review. Completion does not establish CEFR proficiency.
