Teacher writing review

CEFR A1 | Unit 10: Shopping | Writing

Open responses need qualified review. Use this guide to discuss a useful next revision.

Task and audience

Write an order note for a bag, then explain the choice in 3-4 sentences. Compare it with another bag and stay within the stated budget.

Meaning and evidence

Check the supplied context. The response should preserve relevant facts, conditions and uncertainty. Do not reward an invented claim as evidence.

Organization

Look for an order that helps the intended reader. At early levels, clear linked information is enough; advanced responses need controlled development and cohesion.

Language choices

Discuss one effective word choice and one form to revise. Consider the unit focus: Compare two things with adjective-er plus than or more plus a longer adjective plus than. Good changes to better. Use how much for a price and how many for countable items.

Review status

Record feedback as teacher review. A completed draft or self-check does not verify correctness, skill mastery or a CEFR level.
