CEFR A2 | Unit 8: Wellbeing | Grammar

Read the explanation, then complete or revise each item.

Name _____ Date _____

Notice the form and meaning

Should gives advice. Must/must not states a strong requirement or prohibition. Do not have to means there is no requirement. Because gives a reason; so introduces a result.

1. Choose: You must not / do not have to block the exit.

2. Choose: You must not / do not have to use the quiet room. (optional)

3. Give advice using should: take a break between tasks.
