Name _____ Date _____

REPAIR AFTERNOON
Saturday, 14: 00-17: 00, Hall 2. Bring one small item that needs a simple repair. Volunteers can help with bags and clothing. Electrical items are not accepted. Children must come with an adult. Register by Thursday.

Tools are provided. Items are checked by a volunteer before work begins. This activity is for people who want to learn basic repair skills. You keep responsibility for your belongings.

A learner writes: "Hello. I would like to join the session. I have a bag that has a broken strap. Do I need to bring any material? I can arrive at two, but I have to leave at four. Is that possible?"

The organizer replies that the bag is suitable and asks for a photo of the strap before the session.
