Name _____ Date _____

ORIGINAL PLAN
Community stories, Friday, garden, 18: 00. Three speakers. Bring a chair.

At five o'clock, the organizers were setting out chairs when heavy rain began. They moved the event into Hall 1. The speakers were waiting in the cafe while the team checked the sound. The event could not begin at six because the room was not ready.

UPDATED MESSAGE
Tonight's stories will begin at 18: 30 in Hall 1. Please use the side entrance. Chairs are provided, so you do not need to bring one. All three speakers are still taking part.

A volunteer asks, "Is the garden entrance open?" The organizer says it is closed and tells the volunteer to guide people to the side entrance. The volunteer replies with the new time and place to check the details.
