CEFR A2 | Unit 3: Responsibilities | Vocabulary

Use the meanings to check sense, then review the learner's own examples.

1. duty: a task someone is expected to do
2. volunteer: a person who helps without payment
3. requirement: something that is necessary
4. equipment: things needed for an activity
5. Sentence answers vary. Both words must be used in the taught senses and fit the context.
6. explain means make something clear; permission means agreement that someone may do something.
7. Accept supported connections to the supplied context. Ask which detail justifies each choice.

Review notes

The eight-card page supports retrieval. Concrete pictures illustrate only the sense defined here. Accept other accurate examples; a familiar spelling alone does not establish the right sense.

Placement

A2-U03 / ESL.VOC. Original supplementary practice. Skill links are proposed for review. Completion does not establish CEFR proficiency.
