CEFR A2 | Unit 4: Goals | Vocabulary

Use the meanings to check sense, then review the learner's own examples.

1. goal: something you want to achieve
2. progress: movement towards a goal
3. practice: repeating an activity to improve
4. already: before now or sooner than expected
5. Sentence answers vary. Both words must be used in the taught senses and fit the context.
6. record means information kept for later use; step means one part of a process.
7. Accept supported connections to the supplied context. Ask which detail justifies each choice.

Review notes

The eight-card page supports retrieval. Concrete pictures illustrate only the sense defined here. Accept other accurate examples; a familiar spelling alone does not establish the right sense.

Placement

A2-U04 / ESL.VOC. Original supplementary practice. Skill links are proposed for review. Completion does not establish CEFR proficiency.
