# Teacher writing review

CEFR A2 | Unit 5: Housing | Writing

Open responses need qualified review. Use this guide to discuss a useful next revision.

### Task and audience

Write a housing inquiry of 80-100 words. Ask for facts that would help compare the rooms. Include one question about a possible repair.

### Meaning and evidence

Check the supplied context. The response should preserve relevant facts, conditions and uncertainty. Do not reward an invented claim as evidence.

### Organization

Look for an order that helps the intended reader. At early levels, clear linked information is enough; advanced responses need controlled development and cohesion.

### Language choices

Discuss one effective word choice and one form to revise. Consider the unit focus: Use more/less or -er to compare. As...as expresses equal degree. Use the when the reader knows which item you mean, and a/an when introducing one.

### Review status

Record feedback as teacher review. A completed draft or self-check does not verify correctness, skill mastery or a CEFR level.
