Teacher writing review

CEFR A2 | Unit 10: Events | Writing

Open responses need qualified review. Use this guide to discuss a useful next revision.

Task and audience

Write a revised event announcement and a short reply confirming the details. Make the new time, place and entrance clear.

Meaning and evidence

Check the supplied context. The response should preserve relevant facts, conditions and uncertainty. Do not reward an invented claim as evidence.

Organization

Look for an order that helps the intended reader. At early levels, clear linked information is enough; advanced responses need controlled development and cohesion.

Language choices

Discuss one effective word choice and one form to revise. Consider the unit focus: Use the past continuous for an action in progress and the past simple for an event that interrupts it. Say is followed by a message; tell normally needs a person: tell the volunteer.

Review status

Record feedback as teacher review. A completed draft or self-check does not verify correctness, skill mastery or a CEFR level.
