Use the supplied context. Invent personal details if needed; do not include private information.

Name _____ Date _____

Your task

Write a sourced account reconciling the figures. Preserve the uncertainty and explain why quotations cannot establish the distribution of opinion.

Context

Early estimate 200; signed forms 145; no door count. Some may not have signed. Reports select different comments. Follow-up confirms the sources of both numbers, not total attendance.

Who is the reader, and what do they need to know?

Which details will you include, and in what order?

Which words or forms will help you make the meaning clear?
