CEFR C2 | Unit 2: Evidence | Writing

Use the supplied context. Invent personal details if needed; do not include private information.

Name _____ Date _____

Your task

Write a 320-400-word synthesis that preserves the different evaluative questions. Separate source positions from your recommendation and specify what missing evidence would matter.

Context

A: 84% completion among people attending 4+ sessions. B: 57% among all registrants. No comparison group; nonattendance reasons unrecorded. Both are fictional evaluation extracts.

Who is the reader, and what do they need to know?

Which details will you include, and in what order?

Which words or forms will help you make the meaning clear?
