CEFR C2 | Unit 8: Dialogue | Grammar

Read the explanation, then complete or revise each item.

Name _____ Date _____

Notice the form and meaning

Restructure complex sentences while preserving the relationship between claim and evidence. Distinguish reporting a concern from endorsing its explanation. Remove ambiguous referents and inflammatory implications.

1. Reformulate without imputing motive: They designed it to exclude us.

2. Keep a report bounded: Mobile cancellation never works.

3. Clarify: They said it was unfair because they could not do it.
